Description of Coverage

Persons covered by this Certificate, which is issued under a Group Contract of Prepaid Dental Services, are entitled to services under this Dental Plan in accordance with the Patient Charge Schedule. Certain services are subject to the Patient Charges listed in the Schedule.

No cash payments or other indemnity shall be paid by Connecticut General or CIGNA Dental Health to any covered person or to any provider with the exception of payment for out of network emergency service; or payment to a non-Network Specialist if a Network Specialist is unavailable; or payment due a Network General Dentist pursuant to his or her contract with CIGNA Dental Health.

Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - A decision by CIGNA Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. B. conform to commonly accepted standards throughout the dental field;

C. not be used primarily for the convenience of the member or provider of care; and

D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by CIGNA Dental based upon the above criteria will be the responsibility of the member at the dentist's Usual Fees. A licensed dentist will make any such denial.

The eligible dependent shall submit to CG a form approved by the Illinois Department of Veterans' Affairs stating the date on which the dependent was released from service; or (c) of any age if he or she is and continues to be both: (1) incapable of self-sustaining employment due to mental retardation or physical handicap; and (2) reliant upon the Subscriber or other care providers for lifetime care and supervision. The term "other care providers" is defined as a Community Integrated Living Arrangement, group home, supervised apartment, or other residential services licensed or certified by the Department of Mental Health and Developmental Disabilities, the Department of Public Health, or the Department of Public Aid. For a Dependent who falls into category (c), hereof, evidence of his or her reliance on the Subscriber shall be furnished to CIGNA Dental Health, on behalf of Connecticut General, in the form CIGNA Dental Health requests within 31 days after said Dependent attains the age of 26 and, thereafter, not more frequently than annually.

Introduction To Your CIGNA Dental Plan

Welcome to the CIGNA Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to CIGNA Dental or its designee for health plan operation purposes.

Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a CIGNA Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. CIGNA Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

Your CIGNA Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

Member Services

If you have any questions or concerns about the Dental Plan, Member Services Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Member Services from any location at 1-800-CIGNA24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

Premiums

Your Group sends a monthly fee to CIGNA Dental for members participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

Other Charges - Patient Charges

Network General Dentists are typically reimbursed by CIGNA Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. CIGNA Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise CIGNA Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when CIGNA Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Member Services at 1-800-CIGNA24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, CIGNA Dental will let you know and will arrange a transfer to another Dental Office. Refer to the section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24. It is available 24 hours a day, 7days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Member Services.

Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, CIGNA Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. CIGNA Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

All contracts between CIGNA Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by CIGNA Dental.

Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. **Emergency Care Away From Home**

   If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. CIGNA Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to CIGNA Dental at the address listed for your state on the front of this booklet.

2. **Emergency Care After Hours**

   There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

Limitations on Covered Services

Listed below are limitations on services covered by your Dental Plan:

1. **Frequency** – The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
2. **Specialty Care** – Except for Pediatric Dentistry and Endodontics, payment authorization is required for coverage of services performed by a Network Specialty Dentist.
3. **Pediatric Dentistry** – Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday; however, exceptions for medical reasons may be considered on an individual basis. Your Network General Dentist will provide care after your child's 7th birthday.
4. **Oral Surgery** – The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

Services Not Covered Under Your Dental Plan

Listed below are the services or expenses which are NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

1. services not listed on the Patient Charge Schedule.
2. services provided by a non-Network Dentist without CIGNA Dental's prior approval (except for emergency care.)
3. services related to an injury or illness paid under workers' compensation, occupational disease or similar laws.
4. services provided or paid by or through a federal or state governmental agency or authority, political subdivision or a public program, other than Medicaid.
5. services required while serving in the armed forces of any country or international authority or relating to a declared or undeclared war or acts of war.
6. cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless specifically listed on your Patient Charge Schedule.
7. general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist.
8. prescription drugs.
9. procedures, appliances or restorations if the main purpose is to: a. change vertical dimension (degree of separation of the jaw when teeth are in contact); b. diagnose or treat abnormal conditions of the temporomandibular joint (TMJ), unless TMJ therapy is specifically listed on your Patient Charge Schedule; or, if your Patient Charge Schedule ends in "-04" or higher, c. restore teeth which have been damaged by attrition, abrasion, erosion and/or abfraction.
10. replacement of fixed and/or removable appliances that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
11. services associated with the placement or prosthodontic restoration of a dental implant.

12. services considered to be unnecessary or experimental in nature.
13. procedures or appliances for minor tooth guidance or to control harmful habits.
14. hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)
15. services to the extent you or your enrolled Dependent are compensated under any group medical plan, no-fault auto insurance policy, or uninsured motorist policy.
16. the completion of crown and bridge, dentures or root canal treatment already in progress on the effective date of your CIGNA Dental coverage.

In addition to the above, if your Patient Charge Schedule number ends in "-04" or a higher number, there is no coverage for the following:

17. crowns and bridges used solely for splinting.
18. resin bonded retainers and associated pontics.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Member Services at 1-800-CIGNA24. To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24. Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the CIGNA Dental Network includes the following types of specialty dentists:

1. Pediatric Dentists – children's dentistry.
2. Endodontists – root canal treatment.
3. Periodontists – treatment of gums and bone.
4. Oral Surgeons – complex extractions and other surgical procedures.
5. Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

Specialist Referral

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to CIGNA Dental for payment authorization, except for Pediatrics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by CIGNA Dental before treatment begins.

When CIGNA Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in the Orthodontics section. Treatment by the Network Specialty Dentist must begin within 90 days from the date of CIGNA Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Member Services to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if CIGNA Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you

have a question or concern regarding an authorization or a denial, contact Member Services.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available as determined by CIGNA Dental, CIGNA Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. CIGNA Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

Orthodontics

(This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions** – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   - **a**. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
   - **b.** **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
   - **c.** **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
   - **d.** **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.
2. **Patient Charges** – The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

   The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.
3. **Additional Charges** – You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:
   a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
   b. orthognathic surgery and associated incremental costs;
   c. appliances to guide minor tooth movement;
   d. appliances to correct harmful habits; and
   e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

Orthodontics In Progress

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Member Services at 1-800-CIGNA24 to find out if you are entitled to any benefit under the Dental Plan.

Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown and/or bridge in the same treatment plan. Using full crowns (caps) and/or fixed bridges which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown and bridge charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown and/or bridge PLUS an additional charge for

each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

Start With Member Services

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-CIGNA24 toll-free and explain your concern to one of our Member Services Representatives. You can also express that concern in writing to CIGNA Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Appeals Procedure

CIGNA Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to CIGNA Dental, P.O. Box 188047, Chattanooga, TN 37422-8047 within 1 year from the date of the initial CIGNA Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Member Services to register your appeal by calling 1-800-CIGNA24.

1. **Level-One Appeals**

   Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

   If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

   You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, CIGNA Dental will respond orally with a decision within 72 hours, followed up in writing.

   If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. **Level-Two Appeals**

   To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review. The Level-Two Appeals process does not apply to resolutions made solely on the basis that the Dental Plan does not provide benefits for the service performed or requested.

   The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

   You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. **Independent Review Procedure**

   The Independent Review Program is a voluntary program arranged by the Dental Plan and is not available in all areas.

4. **Appeals To The State**

   You have the right to contact your state's Department of Insurance and/or Department of Health for assistance at any time.

CIGNA Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by CIGNA Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. CIGNA Dental coordinates benefits only for specialty care services.

Disenrollment From The Dental Plan Termination of Benefits

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to CIGNA Dental Health.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from CIGNA Dental due to permanent breakdown of the dentist-patient relationship as determined by CIGNA Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from CIGNA Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by CIGNA Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the CIGNA Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

1. Permanent breakdown of the dentist-patient relationship,
2. Fraud or misuse of dental services and/or Dental Offices,
3. Nonpayment of Premiums by the Subscriber, or
4. Selection of alternate dental coverage by your Group.
5. Lack of network/Service Area.

Benefits and rates for CIGNA Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the CIGNA Dental Conversion Department at 1-800-CIGNA24 to obtain current rates and make arrangements for continuing coverage.

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

FDRL2 V1

Coverage of Students on Medically Necessary Leave of Absence

If your Dependent child is covered by this plan as a student, as defined in the Definition of Dependent, coverage will remain active for that child if the child is on a medically necessary leave of absence from a postsecondary educational institution (such as a college, university or trade school.)

Coverage will terminate on the earlier of:

a) The date that is one year after the first day of the medically necessary leave of absence; or

b) The date on which coverage would otherwise terminate under the terms of the plan.

The child must be a Dependent under the terms of the plan and must have been enrolled in the plan on the basis of being a student at a postsecondary educational institution immediately before the first day of the medically necessary leave of absence.

The plan must receive written certification from the treating physician that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

A "medically necessary leave of absence" is a leave of absence from a postsecondary educational institution, or any other change in enrollment of the child at the institution that: (1) starts while the child is suffering from a serious illness or condition; (2) is medically necessary; and (3) causes the child to lose student status under the terms of the plan.

FDRL76

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the date you meet the criteria shown in the following Sections B through F.

B. Change of Status

A change in status is defined as:

1. change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
2. change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
3. change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
4. changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
5. change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
6. changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: (a) incurs a change such as adding or deleting a benefit option; (b) allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or (c) this Plan and the other plan have different periods of coverage or open enrollment periods.

FDRL70

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

Federal Tax Implications for Dependent Coverage

Premium payments for Dependent health insurance are usually exempt from federal income tax. Generally, if you can claim an individual as a Dependent for purposes of federal income tax, then the premium for that Dependent's health insurance coverage will not be taxable to you as income. However, in the rare instance that you cover an individual under your health insurance who does not meet the federal definition of a Dependent, the premium may be taxable to you as income. If you have questions concerning your specific situation, you should consult your own tax consultant or attorney.

FDRL7

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

FDRL75

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

FDRL74

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These

requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any “Conversion Privilege” shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

FDRL58

Claim Determination Procedures Under ERISA

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents, and in the determination notices.

Postservice Medical Necessity Determinations

When you or your representative requests a Medical Necessity determination after services have been rendered, CG will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond CG's control CG will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed. The determination period will be suspended on the date CG sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

FDRL64

Postservice Claim Determinations

When you or your representative requests payment for services which have been rendered, CG will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond CG's control, CG will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination

period will be suspended on the date CG sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (4) a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and (6) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

FDRL36

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

FDRL67

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your

divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

FDRL21

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with CIGNA;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

FDRL22 V1

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and

inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

FDRL23

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

FDRL24 V2

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period.

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

FDRL25 V1

Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact/2002act_index.asp.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above. Coverage will not be retroactive to the initial loss of coverage.

If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to CG the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to CG the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. The procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated, is contained in the Employer's Plan Document, which is available for inspection and copying from the Plan Administrator designated by the Employer. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the last day of the calendar month in which you leave Active Service;
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your federal continuation coverage rights.
- reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect federal continuation coverage, when your federal continuation coverage ceases, if you request it before losing coverage, or if you request it up to

24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.
